

Product Data Sheet *RevoSport 14*

Product description

This is the real 'all-rounder' of the RevoSport Shockpad range. This 14mm thick pad has world governing body certification across a range of sports with different artificial turf manufacturers, including **Football** (FIFA Quality and Quality Pro), **World Rugby** and **GAA** (suitable pile height and infill rates apply), plus **Multi Sport facilities** (FIH Multi Sport 3 category). Versatile and robust, it is an ideal solution for facilities where various sports will be played.
